

# *Society for South Carolina Children*

## **Bold dreams require bold investments.**

When you make a leadership gift to Children's Trust, you're not just giving. You are partnering with us to shape the future. You're amplifying our mission, fueling innovation and accelerating progress that transforms lives.

Your contribution directly supports the prevention of child abuse, creating real, measurable change. Your commitment becomes a lasting legacy in the fight against child abuse and neglect.

*Individuals, couples, families or family foundations making unrestricted annual gifts of \$2,500 or more are recognized as members of the Society for South Carolina Children. Your commitment ensures we will be able to sustain proven programs and services for those who need them most.*

As a nonprofit funded heavily by state and federal grants, unrestricted giving is imperative to the long-term success of our organization. Without unrestricted contributions, we are limited in our ability to address urgent and emerging issues and invest in our endowment for the benefit of future generations.

As a member, you have the opportunity to establish a deeper relationship with the work of Children's Trust to prevent child abuse and neglect through program experiences and executive communication.

### **Society donors are recognized at the following annual giving levels:**

- **GUARDIAN:** \$2,500 - \$4,999
- **SENTINEL:** \$5,000 - \$9,999
- **PALADIN:** \$10,000+

### **All members will enjoy:**

- A welcome gift for your first donation
- Executive updates throughout the year
- An annual celebration with fellow members
- Special invitations to mission moments to observe the impact of your gift
- Recognition in the annual report and on the Children's Trust website
- Subscription to the Children's Trust brand e-newsletter

We invite you to make your leadership gift today to support happy, healthy childhoods. Your commitment as a Society member has a tremendous impact on our day-to-day work.

**SCAN THE QR CODE TO GIVE ONLINE.** Gifts can be made as a single payment or set up for installments. We accept several methods of payment: cash, check, credit card, direct debit, PayPal, Venmo and gifts of stock.

Please contact Susan or Caitlyn for more details or to give by phone.
