

Grants Development Coordinator

REPORTS TO: Chief Operating Officer

STATUS: Full-Time

CLASSIFICATION: Non-Exempt

LOCATION: Long-Distance Remote in SC

Position Summary

The Grants Development Coordinator will research funding opportunities and coordinate the preparation of new and continuing funding applications. Applications may be federal, state, and private and corporate foundations. This position will provide leadership and oversight to ensure the seamless, integrated coordination among departments at Children's Trust for the life cycle of assigned grants through project completion and will work in tandem with key program, operations, finance, and development staff. While several individuals and departments within the Children's Trust are involved in a variety of activities associated with each grant, the Grants Development Coordinator provides coordination and planning for the submission and reporting on assigned grants. The grants development coordinator will also write portions of and/or full grants as assigned. This position is a remote position, and the employee will work from home in South Carolina unless another location is specified.

Duties and Responsibilities

Research and identify current and prospective funding opportunities that are aligned with Children's Trust strategic plan, key initiatives and sponsorship activities; analyze grant-making strategies and histories to prepare or update partner profile documents.

Develop high-quality proposals, letters of inquiry, concept notes, stewardship reports, and accountability reports—for a range of donors including foundations, public/private agencies, federal and state partners, donor-advised funds, and corporations.

Serve as the central contact position for assigned online grant application submittals and work in coordination with program officers, the director of grants and contracts management, and donor relations coordinator for grant reporting to public and private agencies; maintain and organize grant materials in accordance with agency standards.

Generate and/or assist in the development and submission of proposals and supporting documents in response to solicitations.

Recommend, develop, and implement administrative procedures and controls for grant application and reporting processes in partnership with key program, operations, and finance leads.

Develop a plan to include checklists and timelines for the submission of grants that is based on Children's Trust strategic plan; coordinate and participate in proposal planning meetings; create, design, and implement processes and procedures related to proposal development and final reporting in collaboration with the director of grants and contracts management, the chief operating officer, and donor relations coordinator.

Review proposals for grantsmanship, clarity, formatting, and adherence to funding solicitation guidelines and requirements.

Provide technical assistance and training to departments and subrecipients in grant writing, preparation, and management.

Work with communications team to ensure grant awards are shared and promoted across the state and with targeted stakeholders noting impact and significance of each investment.

Attend and present when appropriate at local, state, and national events to enhance knowledge and professional development; assist in identifying current grant development research, key topics, and speakers/consultants for Children's Trust educational programming; and participate on state task forces and ad hoc committees when appropriate.

Serve as a positive, proactive voice for Children's Trust through social media, public speaking, public relations and/or representation at training and events; build capacity and knowledge of the organization.

Perform other duties and responsibilities as requested with a professional, positive attitude and team spirit.
